## **BASA Golf –Morning Texas Scramble on the Sapphire Golf Course.**

Due to a cancellation we have had to modify the normal 3 player Texas Scramble format to accommodate 2-player teams this year. This 'Ambrose' format will mean a difference in the handicapping system we use, and I have tried to fairly pair the golfers. We will calculate the team handicap by adding the two handicaps together and dividing by 3 (for nine holes).

Recap: All players hit their tee shot. The best ball is selected for the second shot. Each member of the team hits his shot from that spot. The process continues until the hole is played out, with the gross score for that hole taken from the player whose tee shot was selected for that hole.

The tee shot of each player in a team is to be used at least three times over the 9 holes.
